Shimoga, 25th August 1924
(M & S M R)

Mir Humza Hussain, Esq., B.A., B.L.,

1st Member of Council
to the Govt of the H.H.The Maharaja of Mysore,

B A N G A L O R E.

Dear Mr. Humza Hussain,

I am instructed by my Board to subscribe R$1000/- to the Central Flood Relief Committee, will you kindly do the needful. I should request that out of this amount R$500/- be allocated to Shimoga and R$500/- to Mysore District. I am subscribing a further R$500/- to the Shimoga Local Fund.

Regarding the position in Shimoga it is unfortunate that there is a difference between the various factions, what pleases one does not pleased the other and it leaves the Deputy Commissioner in an awkward position. I should like to recommend that a small board of technical men consisting of the Chief Engineer, the Chief Sanitary Engineer presided over by neutral man like Sir M.Visvesvaraya should consult with the Laymen of Shimoga of all representations on this most important matter. Laymen cannot be expected to settle the question of town planning under present conditions, they might do irreparable damage as they are not technical and the heartburning in the long future must be the natural result. I trust something can be done, as an old resident of Shimoga it grieves me to see such a deadlock.

Re bearer's discount receipted for Rs 20/5 on this cheque will be paid by this office on hearing from yours goodself

Yours sincerely,

C R Valentine

From

The Deputy Commissioner
Shimoga

With reference to the 13 forwards
Copy of Communication
received from the President
Shimoga Town Municipal Council
showing the estimate of cost
for the extension of Shimoga
Town as per estimates received
under cover with reference to para 56 supra

The plans for the extension of Shimoga
town are contained at Flag K the
estimates are contained in the Red Ink
and detailed in the Communications
received from the President of the
municipality

The proposal involves the
following works:-

1) Acquisition of 30 acres of land
at an estimated cost of Rs 13,600/-

2) The lay out of the extension
with roads, drains and road crossings
This is estimated at Rs 44,095.

3) Improvement of the water existing
water source so as to cope with the
increased demand This expenditure
is estimated at Rs 50,000

The engineer has expressed these expenditure

NOTE—Contn Sheet

Serial No.

~~which aggregates~~ amounts to Rs 1,07,695/.
The Shimoga town municipality has spent already Rs 2000/- on marketing sites, clearing jungle etc and is prepared to utilise its savings amounting to Rs 9000/
The municipal Council add that the sum of Rs 9000/ out of its funds may be used towards the improvement of Water Supply
With the exception of ~~three~~ two items, the municipality states that it is not able to pay more considering its slender resources
The proposals for acquisition are promised to be sent separately
The source of ~~expenditure~~ meeting this has not been pointed out
Sanction has been asked for a grant of Rs 45,000/- for roads & ~~buildings~~ and Rs 41,000 for water supplies out of Govt grant for the relief of Sufferers
On the proposals now received the liabilities of Govt will thus be Rs 86,000/- exclusive of the municipality's contribution & cost of acquisition of sites which comes to Rs 13,000 ~~to be provided~~

(GM) The propos ls re uire more careful scrutiny. Further the proposed expenditure of more than a lakh of rupees cannot be met from distress funds, which is not an unlimited source and there is no surplus out of the sanctioned amounts for the relief of distress. It is not clear to me why such a scheme should not be self-supporting. If Government are going to spend nearly half a lakh for fencing and tunnels and a similar sum for water, the price of undisturbed site should meet all such expenditure. Government may advance the amount in the first instance as they have done in the case of the Bangalore Municipality. All such sale proceeds shall finally be credited to the Treasury in that case

DEWAN'S MINUTE

General and Revenue Secretariat. File No 102 .

Date of submission	Date of Return	Date of issue of orders in the Secretariat	Remarks

(16) The file should have been sent to the Financial Secretary before it was submitted to me, as additinal information was called for by him.

(17) I visited Shimoga on the 19th instant and met the Municipal Commissioners and the leading citizens and discussed the matter with them. Their requests are -

1. That the banks of the river should be rivetted to prevent the erosion of the river towards the town or a dam or ~~a~~ screen wall constructed to divert the flow of water from its present position They apprehend, and I think rightly too, that if the erosion at the present rate goes on, half of the town will be converted into an island and the ~~x~~ bridge will be in danger

2. That extensions should e formed at once and people in the danger zone allowed to build their houses before the next monsoon ~~xxxx~~ sets in

3 That without a proper water supply the extensions will not become popular and that it is impossible for the Municipality in its present finsncial condition ~~the~~ to bear the extra expenditure

4. That the town of Shimoga is next in importance to Bangalore and Mysore and that as the Government are making grants to those Cities, they should make a special grant to this town also, more especially as it has suffered severely from flood havoc

5 That the Government should bear the whole cost of rehabilitati the people who have lost their houses

Date of submission	Date of Return	Date of issue of orders in the Secretariat	Remarks

20/3/24

(1) Point 1 requires investigation. The Chief Engineer will investigate it at an early date and submit a scheme to Government.

(2) As regards the other points, I examined the finance of the Municipality Their income Rs. 61,000 and their expenditure comes to the same amount. There is not much scope for saving. It is not really possible for them to repay a loan of Rs. 1,00,000. It is likewise not possible to them to bear the cost of watersupply without Government aid. It is impossible for the extensions to come into existence without a good water supply It will not also be good policy on the part of the Government to bear the whole cost. I proposed the following terms to them which they accepted after a good deal of hesitation -

(1) A grant of Rs. 25,000 by the Government.

(2) A loan of Rs. 25,000 free of interest to be paid in ten years

(3) The Municipal Council to acquire the lands and allot the sites

(4) A sum of Rs. 10,000 may be expected by the sale of sites which will be credited to the Municipality.

(5) This appears a simple scheme and does not involve Government a heavy expenditure.

(6) May be discussed at the next meeting of Council and in the meantime the file may be sent to the Financial Secretary for favour of his views

Final Letter with Compts

Wp 1214—GPB—2000—23-6-22

20/3

21/3/24

Serial No 125)

As far as I have been able to make out from the information available in the file, the position is as follows:-

	Estimated Outlay.	Resources made available for the purpose	
Acquisition of lands	Rs.13,600	Amount already spent by the Municipality on extensions	Rs. 2,000
Formation of extensions.	44,095		
Water Supply.	Rs.50,000	Amount offered to be spent by the Municipality.	Rs 9,000
T o t a l.	Rs.1,07,695	Sale proceeds of sites..	10,000
		T o t a l	Rs 21,000

The deficit to be covered is Rs 1,07,695 minus Rs.21,000 = Rs 86,695 What is now proposed is that Government should give the Municipality a free grant of Rs 25,000 and a loan of the same amount There would still be a deficit of Rs 36,695 and I have not been able to make out how it is proposed to cover it One other point which is not clear to me is why the land acquired at a cost of Rs 13,600 should be expected to fetch only Rs 10,000 when sold in the form of house sites I understand from the notes in the file that the Municipality has no excess of annual revenues over expenditure which it can devote for this purpose It, therefore seems to me that the case requires further consideration

126) As regards the aid to be given by Government, I think the proposal to give the Municipality a free grant of Rs 25,0

NOTE—Contn Sheet

and a loan of the same amount is reasonable However justifiable the grant of an interest-free loan may be in this case, it is well not to waive interest altogether. If the concession is allowed in this case, it will be claimed by many Local Bodies and it will be difficult to resist their request As we have no surplus, we have no money of our own to lend free of interest, on all the money which we can spare for lending, we ourselves have to pay interest and the amount of such money is also limited in view of these considerations, I would suggest that a concessional rate of interest, say 5 per cent, may be charged instead of making the loan completely free of interest.

Serial No

12) Whether it will be possible to provide for the whole grant of Rs.25,000 in the State Budget in the next year is a point on which I am unable now to express any definite opinion Assistance to a town which has been damaged by floods and which requires the opening out of extensions for housing its inhabitabts is, I consider, a primary need which ought to be given preference in the distribution of Government Funds. As for the loan of Rs 25,000 I think it will be possible to provide for it but, the rate of interest to be paid has to be fixed and the Municipality has to be informed that the instalment for repayment of the loan and the interest due from time to time should be considered as a first charge on its annual revenues.

Extract from the Proceedings of the 732nd *Meeting of the Council of His Highness the Maharaja, held at Bangalore on the* 26th March 1925. *19*

178. Subject. - Clause xii of the schedule.

Scheme for the formation of a new extension in Shimoga.

OPINION OF THE COUNCIL.

A grant of Rs.25,000/- may be made by Government. loan or Rs.25,000/- may also be given, repayable by the Municipal Council in ten annual instalments with 5% interest. The Municipality to shew the ways and means for repayment of the loan.

The lands needed for the extension should be acquired at the cost or the Municipality, to which will be credited the proceeds from the sales of sites.

Note.-

A demand in respect of the additional grant in question to be placed before the next meetinf of the Legislative Council.

The present military parade ground should be acquired for the extension, and other lands made available to the military for their parade ground.

(Signed) Mir Humza Husein,
Offg. Dewan of Mysore.

for His Highness' gracious approval

Dewan

Final Note by the Second Member of Council

10 — 24

Subject —

Scheme for the formation of a new extension in Shimoga.

The Deputy Commissioner, Shimoga District, submitted in August 1924 certain proposals for the acquisition of certain lands in Milgatta Village, Shimoga Taluk, for providing suitable house-sites for people who were rendered houseless on account of floods. Representations having been received against the selection of these lands, Government in their Order No.L.2074/7 Ml.10-24-5 dated the 9th September 1924 appointed a Committee consisting of the Chief Engineer, the Sanitary Commissioner, the Deputy Commissioner, Shimoga District, and two Municipal Councillors nominated by the Shimoga Town Municipal Council to go into the question of selecting the sites for the extension of the town.

The Committee submitted their report on 31st October 1924 and the plans and estimates were received from the Chief Engineer and the Deputy Commissioner on 25th November 1924 and on the 1st Jan. 1925 respectively. The Committee's proposals involved the acquisition of 30 acres of land at a cost of Rs.13,600 in the different parts of the town for conversion into house sites. The layout of the extensions with roads, drains, etc., was estimated to cost Rs. 44,095 and cost of improving the existing water supply so as to cope with the increased demand was also estimated at Rs.50,000. On account of the poor financial condition of the Municipality, the Municipal Council expressed their inability to meet the large amount of Rs.1,07,695 and stated that they would be prepared to pay Rs.9,000 in addition to the sum of Rs.2,000 already spent by them for marking sites, clearing jungle, etc., and that the Govt may be pleased to give them a grant of Rs.45,000 for roads and tunnels and Rs.41,000 for water supply out of the general grant

for the Relief of Sufferers from the Floods.

Government considered that the scheme should be self-supporting and the cost should be met by the sale of sites alone. On account of the slender resources of the Municipality it was suggested to them that the amount required would be advanced as a loan, the same being recouped subsequently by the sale of sites.

The Municipal Council have agreed to the course suggested.

When the papers came up to me I considered the course as not suitable and recorded as follows -

"There seems to be a considerable leap in the dark in this case, and Government may have to write off a considerable amount as it is very doubtful whether the Municipality could clear the whole loan. It is not also clear from the notes why the ordinary concession extended to towns for extension and water supply, i.e., for Government contributing half the cost is not extended to this flood-distressed city I beg to propose the following -

(i) that the cost of acquiring the lands, plus the cost of laying out surface roads in the extension be borne solely by the Municipality and recovered by sale of sites,

(ii) that Government do, however, make a contribution (not loan) to the Municipality equal to the probable value of sites given free to the poor by the Municipality, -the contribution to be made from Flood Funds.

As regards the remaining cost which would be 75 per cent or more, Government do contribute half and treat the other half as a loan In view of the town having suffered seriously, there is no great objection to Government contributing half the total cost also including the cost of acquisition, no contribution for sites for poor being made in that case.

If the Dewan approves, I would propose the matter being discussed in Council and the final decision of Government communicated to the Municipal Council very soon"

The Dewan having visited Shimoga on the 19th instant the following representations were made to him by the Municipal Councillors and the leading citizens -

(i) that the banks of the river should be revetted to prevent

(i) that the bank of the river towards the town or a dam or screen wall constructed to divert the flow of water from its present position,

(ii) that extensions should be formed at once and people in the danger zone allowed to build their houses before the next monsoon sets in;

(iii) that without a proper water supply the extensions will not become popular and that it is impossible for the Municipality in its present financial condition to bear the extra expenditure,

(iv) that the town of Shimoga is next in importance to Bangalore and Mysore and that as the Government are making grants to those Cities they should make a special grant to this town also, more especially as it has suffered severely from flood havoc;

(v) that the Government should bear the whole cost of rehabilitating the people who have lost their houses.

As a result of discussion of the matter with them, they agreed to the following -

(a) a grant of Rs.25,000 by the Government,
(b) a loan of Rs.25,000 free of interest to be paid in ten years,
(c) the Municipal Council to acquire the lands and allot the sites.

The Financial Secretary was generally agreeable to the proposals and the matter was thereafter considered in Council who have resolved as follows -

"A grant of Rs.25,000 may be made by Government. A loan of Rs. 25,000 may also be given, repayable by the Municipal Council in ten annual instalments with 5 per cent interest. The Municipality to show the ways and means for repayment of the loan".

"The lands needed for the extension should be acquired at the cost of the Municipality, to which will be credited the proceeds from the sales of sites".

The opinion of the Council may be graciously approved.

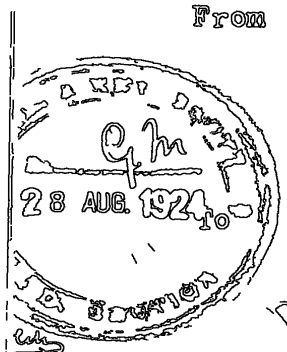
Qm 1047

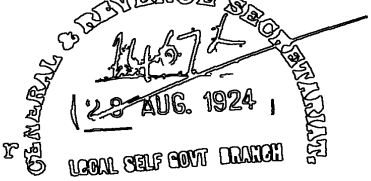
Immediate. Office of the Deputy Commissioner,

No. D.O. 3/2425 Shimoga District

Enc. Correspondence

Four declaration Statements Dated Camp Bangalore 26th August 1924





From

A. K. Syed Taj Peeran, Esq., B.A.,
Deputy Commissioner
Shimoga District.

Qml 10-24

K. Matthan, Esq., B.A.,
Chief Secretary to Government,
B a n g a l o r e.

Sir,

With reference to the Revenue Commissioner's docket No J 2.Dis. 81/23-23 dated 12th/14th July 1922 directing to furnish certain particulars to the Government in respect of acquisition of Survey Nos 23-24-25-91/2 and 91/1 in Milgatta village, Shimoga Taluk, I have the honour to state as follows

2. The Survey Numbers referred to above are alleged to have been in adverse possession of the Military Department for the past 20 years forming a part of Parade Ground. From the correspondence, I see, that these lands were never formally acquired and handed over to the Military Department. The latter Department however claims that these numbers were given to them in exchange of some other numbers which they once had as Parade Ground. But there is nothing in the correspondence to corraborate this statement. The so-called Parade Ground is situated on the Shimoga-Honnvar road beyond the town of Shimoga infront of the Old Sawar Lines.

3. The Sawars were recalled more than 12 years ago and I understand from the conversation I had with you this morning as well as with the Chief Commandant that there is no likelihood of any detachment being sent there The lands are thus lying idle and the owners on the one hand, derive benefit from them and on the other hand the assessment on these lands is

[them and on the other hand the assessment on their lands] is accumulating as it has not been written off.

4. You may be aware that after the recent floods in Shimoga, many families have been rendered homeless and it is one of the most important duties to select suitable sites and encourage them to reconstruct their dwellings out of the danger zone These lands are proposed to be converted into building sites and allotted for Mahomedans of the Savayipalya people and others living in Seegehatti in that proximity as these persons will be nearer to their lands and have the convenience of the Municipal lights and water supply. The Municipal Council in their meeting held on 23rd August 1924 have resolved to acquire these lands for the above purpose As the lands were said to be in the possession of the Military Department I thought it necessary to consult the Head of the Department whether they had any objection for giving away these lands for extending the town. I have been permitted by Major Foott, the Chief Commandant who listened to my representation very sympathetic-ally, to acquire these lands for house building purposes. He also eppressed his opinion that there was no chance of any detachment being sent to Shimoga even in the distant future according to the Revision Scheme. He also told that the sites may be marked and allotted in anticipation of the formal approval of the Government as he promised that he would give his hearty support.

5 Under the circumstances, I request you to kindly obtain the orders of the Government for acquiring these lands, the cost being met by the Municipality. I also recommend that the Government would be pleased to waive any compensation from the Municipality on these survey numbers and I request that

early

early needful orders be obtained, as the matter is very urgent

I have the honour to be,

Sir,

Your most obedient servant,

Alfred Chapman

Shimoga 7th September 1924

Dear Major Foottit,

With reference to the interview I had with you at Bangalore in connection with the land by the side of the Old Sewar Lines I understand from my Municipal Chief Officer that the local Military people objected to the marking of the sites which you had permitted so kindly on hearing our representation considering the urgency of the situation These lands have been formally proposed to be acquired and a copy of the letter addressed to the Chief Secretary was sent to you for your information As the work of marking sites has been obstructed I request that you will kindly issue instructions to the Cantonment not to interfere in the matter

CHIEF SECRETARY'S OFFICE 8 SEP 1924

Yours sincerely,
A K SYED TAJ PEERAN

Copy of the above is forwarded with compliments to the Chief Secretary to the Government of Mysore Bangalore

Proceedings of the Government of H.H. the Maharaja of Mysore.

Read:--

Correspondence ending with letter No. D.O. 3 Rev./24-25, dated the 1st Septr. 1924, from the Deputy Commissioner, Shimoga District, forwarding for orders, the proposals of the Shimoga Town Municipal Council for the acquisition of certain lands for the purpose of extending the Shimoga Town to accommodate the people who suffered from the devastations of the floods.

Order No. 2074-79 9/9/24

Government consider that the proposal for the formation of an extension should undergo careful examination in the light of expert opinion essential in matters of extensions, drainage etc. and are therefore pleased to direct that a Committee comprising of the Chief Engineer to Govt, the Sanitary Commissioner in Mysore, the Deputy Commissioner, Shimoga and two Municipal Councillors nominated for the purpose by the Municipal Council be appointed to go into the question of selecting sites for the extension of the town and for the accommodation of the several houseless persons.

2. A plan of the extension should be prepared by an officer of the Sanitary Department who should be deputed

for the purpose, ~~of the plan as prepared~~ and it should be submitted for the approval of Government. The plan will thereafter be sent to the Municipal Council for giving effect to the arrangement approved.

3. The Deputy Commissioner, Shimoga District, is requested to arrange for an early meeting of the Committee and take all needful steps in the matter at a very early date and furnish proposals for the orders of Govt, ~~before the end~~ 1924.

No. 2547

Office of the Chief Commandant,
Mysore State Troops,
Bangalore dated 20th Sept 1924.

From

Major J.A.W. Foottit, I.A.,
Chief Commandant, Mysore State Troops, Bangalore.

To

The Secretary,
to the Govt of H.H.the Maharaja of Mysore
Local & Legislative Department, Bangalore

Sir

With reference to your letter No.L.1964/M.L.10-24-4 dated 6th instant re the acquisition, proposed by the Municipal Council of Shimoga, of the Military Parade Ground of that place for building purposes, I have the honor to state that before submitting a report to Government I considered it necessary to visit Shimoga in order to fully appreciate the situation I therefore made a personal reconnaisance of all the land in the vicinity and a conference was held on the Parade Ground between the civil authorities and myself when the question was openly and freely discussed.

I am of decided opinion in the interests of the Military Department (not only the Mysore Military but the British Military- the latter have earmarked this ground as a camping site on the alternative route for Belgaum) that this parade and camping site cannot be given up without due detriment

My reasons are:-

1. This is the only camping site in the neighbourhood which fulfills all Military requirements vide Field Service Regulations Part I.
2. It is the only suitable parade ground for the Mysore Infantry.

The present Barr Infantry Lines, should be condemned and when finance is available, they should be reconstructed to replace

the old sowar Lines, and it is obvious that the Infantry Lines should adjoin the parade ground. If this were done, the site of the present Barr Lines could be handed over to the Municipality for building purposes. At present these Lines are unfit for human habitation. They are most unhealthy and insanitary and are in a very dilapidated state of repair. In my opinion, it is a sheer waste of money to repair them.

In peace time, the welfare, comfort and proper quartering of troops should receive primary consideration.

The tract of land available to the West of the Sowar Lines is adequate and suitable for building purposes, and as the Sowar Lines possess a pipe line, it would be a simple matter to supply water for a colony here. It was suggested that this available land should be handed over to the Military Department for parade and camping purposes in lieu of the existing one, but as it does not fulfil Military requirements, it is out of the question.

In addition to the above available land for the Municipality which is admirably suited for building, there is land available to the East of the Parade ground and also to the North of the road.

The present camping and parade ground has the following advantages:-

(a) High & Commanding ground.
(b) Good visibility.
(c) Admits of concentration of troops.
(d) Adjoining the main road it facilitates troops marching off.
(e) Good water supply,
(f) Very healthy & sanitary

I reconnoitered the ground which was suggested to me as an alternative camping site for British Troops.

This one is unsuitable for following reasons:-

(a) The site is a jungle.
(b) No water supply. There is no drinking water for troops and the only watering place for animals is a small tank or jheel which I am told is dry during the

greater part of the year.

(c) It is some distance away from the road.

Finally taking all salient factors into consideration I opine that it would be most detrimental to deprive the Military Department of the existing parade ground and camping site.

I have the honor to be,
Sir,
Your most obedient servant,

Major I.A.
Chief Commandant,
Mysore State Troops.

B. NAGAPPA, ESQ , Bar-at-Law,
Secretary to the Government of Mysore,
Local and Legislative Departments, Camp, Mysore

Sir,

With reference to your letter Camp No L 31 dated the 14th October 1924, I have the honor to state that the question of selecting sites for the extension of Shimoga town and for the accommodation of the several families rendered houseless in consequence of the recent floods, - was very carefully examined in detail by the Special Committee appointed by Government in their Order No 2074-4/M1 10-24-5 dated the 9th September 1924

2 At the outset I may say that the question is one of providing sites to suit the convenience and the needs of the various communities affected by the floods in the different parts of the town Clearly therefore separate compact extension exclusively for such families is not practicable as the vested interests of the different communities have to be considered in allotting sites to them The Committee have passed certain resolutions which will shortly be submitted to Government and after approval thereto further action will be taken in the Public Works Department for the preparation of the necessary plans and estimates for utilising or enlarging the existing extensions so as to meet present actual requirements

I have the honor to be,
Sir,
Your most obedient servant,
Sanitary Commissioner, M G

From
A.M.Syed Taj Peeran Esq., B A ,
Deputy Commissioner, Shimoga District.

To
B.Nagappa Esq , Bar-at-Law,
Secretary to Government, Local and Legislative
Departments, Bangalore.

Sir,

With reference to the instructions contained in Government Order No.2074-4/Ml 10-24-5 dated the 9th September 1924, regarding the proposals for the formations of extensions to the Town of - Shimoga, I have the honour to forward herewith, copy of the - proceedings of the Special Committee appointed by Government in the order under reply, to go into the question of selecting sites for the extension of the town and for the accommodation of the several houseless persons in the town of Shimoga and to request that orders of Government might kindly be obtained on the proposals of the Committee.

2. As regards the plan of the extension, the Chief Engineer has been requested to get the same prepared early and submit the same to Government.

I have the honour to be,
S i r,
Your most obedient servant,

Deputy Commissioner,
Shimoga District

Proceedings of the Special Committee appointed by Government, in Order No: 2074-4/Fl.10-24-5 dated the 9th September 1924 to go into the question of selecting sites for the extension of the town and for the accommodation of several houseless persons in the Town of Shimoga.

Dated the 29th September 1924.

By previous appointment the five members of the Committee met at 8.30 A.M., and jointly inspected till noon the town in detail. The area affected by the Floods, the several extensions formed by the Municipality, the grounds round about the Sawar Lines and other localities in which some of the people desired to build, were all visited.

2. The Committee met at 3 P.M., in the Public Office Except Mr. C. Subba Rao, who was unavoidably prevented from attending the meeting on account of indisposition, the other members of the Committee were present:-

The Chief Engineer to Government.
The Sanitary Commissioner in Mysore.
The Deputy Commissioner, Shimoga.
Mr. G. M. Kadappa, Municipal Councillor, nominated by the Municipality.

In response to the hand-bills widely published that all persons interested in the matter of selecting sites and accommodating houseless people, might present themselves before the Committee and make their representations, about sixty people appeared before the Committee. Messrs. Subba Rao Naik, Vice President of the Municipality, Sitharamiah, and Ananthaiah, were also present.

3. On behalf of the Brahmins, Messrs. Anantharamaiengar, Narangi Krishna Rao, Kaite Gururayachar and Gaddi Madhvachar, represented that they wanted building sites to be allotted to them in the vacant ground to the North and South of the Old Travellers' Bungalow, now the Thirthahalli Sub Division Office

and

and the Manager. The Committee condemned the ground to the North of the Sub Division Office as being insanitary and unfit for building purposes but was in favour of granting building sites to Brahmins in the vacant triangular ground to the South of the Sub Division Office. The Hosa Maharmnavami Byle to the north of the P.W.D. Sub Division Office was suggested by the spokesmen to be given to the Brahmins. The Committee was agreeable to this. The Deputy Commissioner clearly explained that it was not possible under the existing circumstances to allot sites to all the Brahmins in one and the same locality but that about 60 sites in the New Durgi Gudi Extension and an equal number in the Mulkere Extension were earmarked for them besides the grounds above referred to. The Committee resolved as hereunder:-

RESOLVED that in addition to the sites earmarked for the Brahmins in the New Durgigudi and Mulkere Extensions, building sites might be allotted to them in the triangular bit of land to the south of the present Thirthahalli Sub Division Office and in the new Maharmnavami Byle to the north of the P.W.D. Sub Division Office.

4. The Potters represented that they might be granted building sites in the New Maharmnavami Byle. The Deputy Commissioner explained that these were allotted sites Komwar in the proposed old Maharmnavami Byle.

RESOLVED that the allotment of sites made to the Potters by the Municipality in the Old Maharmnavami Byle be approved.

5. The oil-mongers represented that they should be given building sites. The Deputy Commissioner explained that for this community also sites had been allotted Komwar in the Male Maharmnavami Byle.

RESOLVED that the allotment of sites to oil-mongers as already proposed by the Municipality be approved

6. The Kharvan and Hindu residents of Kawoy Palya and Kandli represented that they desired to be allotted building sites to them in the vacant ground to the North of the present

present Thirthahalli Sub Division Office It was explained that this ground was condemned on the score of being insanitary and unfit for building purposes. These thereupon desired the grant of sites in the Hale Maharnnavami Dyle and in the open ground to the south-east of the Sawar Lines.

RESOLVED that the proposal of the Municipality to allot sites to the Mahamadans and Hindus of Savoy Palya and Mandli in Block Nos: 4, 5, and 6 of Hale Maharnnavami Dyle Extension and in the open ground to the south-east of the Sawar Lines be approved.

7. The Manchigars represented that they wanted sites to ply their profession.

RESOLVED that these might be allotted sites for plying their profession only but not for dwelling purposes in the vacant ground between the P.W.D. Sub Division Office and the Sagar Road, provided the sites are enclosed by them by a compound wall.

8. (i) Read Memo No: L.2709 dated the 25th instant from the Secretary to Government, Local and Legislative Departments, forwarding for being placed before the Committee, copy of letter No: Y 2547 dated the 20th instant from the Chief Commandant, regarding the utilisation for building purposes of the open ground to the south-east of the Sawar Lines.

(ii) Read letter No: 491 dated 24th instant on the same subject from the President, Shimoga Town Municipal Council, to the Deputy Commissioner, Shimoga.

The Committee after a close and scrutinising inspection of the grounds around the Sawar Lines and after a careful consideration of the points urged in the letter of the Chief Commandant and of the local circumstances, have come to the conclusion that it is absolutely necessary to make available for building purposes the open ground to the south-east of the Sawar Lines and Stables and this, in their opinion, will not in

R3

in any way be to the detriment of the interests of the Military Department. The extensive land to the north-west of the stables is admirably fitted for the Military Parade Ground, for camping and for constructing Barr Infantry Lines. It is not a jungle and what scrub shrubs now exist might be cleared within a week at a small cost. The water facilities that now exist in the present "Parade Ground" could easily be extended to the proposed ground. The said extensive land is higher and more commanding than the present "Parade Ground". It has good visibility, admits of concentration of troops and adjoins the main road. It is equally healthy and sanitary, if not more than the present "Parade Ground" for military purposes, there does not appear to be any difference between the present "Parade Ground" and the proposed ground and if, at all, there is any difference such difference is only to be the advantage of the Military Department. It is feared that the reservation of the present "Parade Ground" might lead to the unsetting of the amicable settlement which has been arrived at in allotting sites to the different communities according to their desires. Besides the pressing and urgent need of those affected by the flood should have preference over the prospective requirements of the Military Department. It is neither safe nor desirable that the Military people should permanently reside or temporarily camp on grounds with the civil population on either side. The Committee further observe that the present "Parade Ground" even now consists of occupied Survey Numbers for which assessment is being paid annually by the occupants.

9. The Committee are in favour of approving the following extensions proposed by the Municipality:—

i. The New Muthiguli Extension.
ii. The two Sulkere Extensions.
iii. The Hale Shanmanvari Byle Extension.
iv. The Islapur Extension, in addition to the above already referred to.

10. The Committee are not in favour of allotting any building sites in the low marshy ground to the south-west of the Thirthahalli Road except the high ground on either side.

11. The Committee are of opinion that in providing accommoda-tion and affording facilities the following order might be observed:-

1. Those whose houses have been totally destroyed.

2. Those whose houses have been partially destroyed.

3. Those who do not come under the above classes but have been rendered homeless as in the case of tenants &c.

4. Those who own houses in the danger zone.

In the case of (1) and (2) those who have no other accommoda tion should have preference over those who possess other accommodation. In the case of such selected persons also it is desirable, with a view to achieve practical results speedil that they are dealt with individually.

12. The Committee generally approve of the other actions taken by the Municipality so far in the matter of allocation of sites.

(Signed) A.h.Syed Taj Peeran,

Sir,

With reference to your letter No I 3571/M1.10-24-13 dated the 13th November 1924, and subsequent reminders thereon, calling for the plan of the extension of Shimoga Town together with the estimate of cost and other details, I have the honour to state that the plan of the extension has already been submitted to the Government by the Chief Engineer. As regards the cost and other details, I enclose for the information of Government a copy of letter No 983 dated the 20th instant, together with a copy of its enclosure and estimates in original received from the Pres Shimoga Town Municipal Council

I have the honour to be
Sir,
Your most obedient servant,

For Deputy Commissioner,
Shimoga District

N A.

Proceedings of the Special General Meeting of the Shimoga Town Municipal Council held in the Town Hall on Friday the 13th December 1974.

---

4. Approval of estimates for an aggregate amount of Rs.2,00,000/- for forming new extensions and to exclude the formation of the Mullakere west extension

Read the report of the Chief Officer and examined the estimates prepared by him as also the opinion of the Managing Committee.

Resolved that Government be moved to sanction a grant of Rs 45,000/- towards meeting the cost of making gravel roads, road crossings and earthen drains in the six extensions selected by the Municipality and approved by the Special Committee as Per G O No L 1074-5/MI-10-74-5 dated 9th September 1974. It is further resolved that with a view to give immunity to the settlers in these extensions from Cholera and other water born diseases, tap water alone may be supplied, which can be done by purchasing a new engine and pump to serve as stand and also to increasing the diameter of the rising main. As a cost of sinking wells to the various localities would come upto 40,000/- and that even after spending so much amount, it would be doubtful whether will be successful in consideration of the subterranean complications, it would be more advantageous and economical to depend upon the river as the never failing source of water supply. Since the cost of purchasing a new engine & pump and other incidental expences connected therewith, will amount to approximately to Rs.50,000/- and as the Government have promised to allot special grants to the people of Shimoga on thei account of having suffered in the past two years successively during the floods, it is resolved that the benign Government be approached to sanction this amount also to assure complete relief to the settelers consider ing the slender resources of the council and the helpless financial situation in which it is placed at present. It is further resolved that with a view to supplement the Government grant, the sum of Rs.5000/- and odd which is now in the Savings Fund may be appropriated for improving the water supply and that may be considered as to the Municipal quota towards the formation of extensions etc. The Council have already sanctioned a sum of Rs 2000

marking sites , clearing jungle and adopting relief measures.
It will thus be clear that the council out of their limited resource
have so far contributed Rs.11,000/- Resolved also that the Chief Off
be requested to prepare the estimates for constructing sewage and
storm water drains in the two extensionsnamely,Park and Marharnavar
-byle).

" Copy "

For Deputy Commissioner,

F.A. Shirpur District

Lette No. ৭৪3 dated the ৭০th Decembe 1৭৭৸ fom the President, Shimoga Town Municipal Council, Shimoga to the Deputy Commisioner, Shimoga District.

With reference to your memo No.D ৭ 3/১৸-৭৫ dated the ৭৪th November 1৭৭৸ re-the formation of new extensions in the Shimoga Town, I have the honour to report that the Town Council have selected the marginally noted six blocks for the purpose. Thirty acres of lands in private occupancies have to be acquired and the cost of the acquisition may be roughly put down a 13,600/- at the rate of 1½ annas per sq yard A declaration statement showing the lands selected with sketches will be submitted to you separately

Ex.Rank Extension	Land to be acquired.
1. Park Extension	
2. Hullakere (east)	3-0
3 do (south)	-------
4. Maharnavamihyle.	17-0৸.
5 Sawarline	-------
6 Islapur	9-15

Total	30-0.
	----------

২. Only gravel rods are proposed to all extensions for the present. Estimates for gravelling the roads, forming earthen drains and constructing road crossings in the six extensions amount to Rs 44,০৭৫/-(vide detailed estimate appended)

3. As regards water supply, the Council consider that the supply of tap water to all the blocks will be more advantageous and healtier than from wells. This may be possible if a duplicate engine and pump are purchased. The rising main has also to be replaced with a pipe of wider diameter to a certain length The estimate for providing a duplicate engine & pump, with buildings to locate them and to increase the diametre of the main amounts to Rs ৫০,০০০/- as per estimate attached

৸. For providing immediate relief to the sufferers the Municipality paid a sum of R. ২০০০/- to the relief Fund and a further sum of R. ৭০০০/- which is, the credit of the municipaity is proposed to be utilised for providing water supply etc., to these extensions

I therefore request you to be so good as to recommend to the Government for favour of providing Rs.১৫,০০০/- for roads and

tunnels

tunnels etc ,.and Rs. 21,000/,(Rs. 50,000/- and Rs.00000/-) for water supply out of the Government grant for the relief of the sufferes of this town.

6 In conclusion,I beg to state that sanction may be accorded to,

(i) The acquisition of 30 ~~acres~~ acres of land.
(ii) Providing all the six extensions with gravel roads , earthen drains and road crossings&
(iii) Providing Krishna-Raj-Water works with an additional engine and pump, with the necessary building and widening the main so as to get the sufficient ~~Quantity~~ quahtity of water to supply the whole town with tap water.

The necessary estimates and the copy of the Council's resolutions are enclosed herevith

Bangalore.

Sir,

I have the honour to forward herewith, a post copy of a telegram sent to you regarding the formation of new extensi in Shimoga. I request you to be so good as to obtain early orders in the matter, as people are anxious to construct houses before the monsoon sets in

2. The report of the Special Committee appointed by the Government, together with the plans, has been pending for a long time before the Government and the people are daily pressing for the grant of sites in the extensions formed by the Municipality soon after the floods. They are getting nervous that, if they do not get permission in time, the advances they have drawn and the efforts of the Government to alleviate the sufferings and prevent the recurrence of the same, would be fruitless, as the monsoon is fast approachin.

I have the honour to be,
Sir,
Your most obedient servant,

Deputy Commissioner
Shimoga District and
President, Shimoga Town
Municipal Council, Shimoga.

H.R.

Dear Mr Chandy

I quite forgot to mention during our Conversation yesterday the matter of the flood relief question and granting of sites etc in Shimoga — The whole matter is at a standstill and so far as I know not a site has been granted so much time has gone by — I understand the dead-lock is caused by the municipality demanding too high a sum viz Rs 40000/- and they (the municipality) only guaranteeing Rs 8000/- naturally Govt would pause I think as they must have a cover for a grant of this magnitude, what I would like to know is — can anything be done to expedite the matter? money we must have in Shimoga for this purpose as early as possible — I am sincerely put out about the delay at Shimoga as very dear to me & it is imperative that something be done as early as possible — If the municipality had asked for a Temporary Grant of say Rs 15000/- & put a reasonable value on sites against this figure something perhaps could have been done, it was futile to demand a figure of Rs 40000/- without some sort of covering; in any case Mr Chandy we must get a motion on — I am certain Govt cannot recede

OFFICE OF THE DEPUTY COMMISSIONER,
SHIMOGA DISTRICT

Shimoga, Dated the 2nd. March *1925*

From,

A. K. Syed Taj Peeran, Esquire, B A ,
Deputy Commissioner,
Shimoga District

To,

B Nagappa, Esquire, Bar-at-Law,
The Secretary to the Government of His Highness
the Maharaja of Mysore, Local & Legislative Dept.,
B a n g a l o r e.

Sir,

With reference to your marginally noted telegram of the 28th February 1925, I have the honour to state that it will take some time to give a reply to your letter No L 6229/M.L 10-24-21 dated the 20th February 25 The Municipal Council of Shimoga Town, as you know, is under reconstitution and in my letter No O.C. 720/24-25 dated 25th February 1925, I have requested sanction for the extention of the term of the present Municipal Council by one month It is only in the new Council that the points raised in your said letter could be discussed and an authoritative reply given In the meanwhile I request you to obtain the sanction of Government to allot sites in the different extensions recommended by the special Committee The matter is very urgent as this is the " off" season in the Malnad when labour is available and the people are very eager and anxious to push on with the building operations and quickly as possible before the monsoon sets in. Though seven months and more have elapsed since the last floods the Municipality has not been able to allot sites,

" Your wire twentysixth Shimoga town extension, Please expedite reply to my letter of 20th February regarding loan and other particulars required "

I need not say much about the urgency and I once more request you to obtain the orders of Government in the shortest possible time and communicate the same to me by wire, the formal order being sent in due course.

You are also aware of the fact that the Government have sanctioned a grant of Rs 60,000 to the building cooperative Society which has been formed and which cannot start its operations as sites have not been allotted.

I have the honour to be,

Sir,

Your most obedient servant.

Deputy Commissioner,
Shimoga District

Draft message. 5th March 1925.

G.O No 'L. 2074-7/Ml. 10-24-5, dated the 9th September 1924, appointing a Committee consisting of the -- Chief Engineer in Mysore, the Sanitary Commissioner in Mysore, the -- Deputy Commissioner, Shimoga District and two Municipal Councillors on the Town Municipal Council of Shimoga nominated by the Municipal Council for the purpose ~~of~~ to go into the question of selecting sites for the extension of the Shimoga Town and for the accommodation of the several persons rendered houseless owing to flood ravages

2 Letter No D O 3/Rev 24-25, dated the 31st October 1924, from the Deputy Commissioner, Shimoga, forwarding a copy of the proceedings of the Special Committee appointed in the G O read above and their recommendations in the matter of selecting sites for the extension of the town and the accommodation of the several houseless persons

3 Letter No. 7922, dated the '5' November 1924, from the Chief Engineer in Mysore, forwarding the plan of the extensions.

4. Letter No D O. 3/24-25, dated the 30th December 1924/1st January

January 1925, from the Deputy Commissioner Shimoga District, forwarding the estimates received from the President, Shimoga Town Municipal Council for forming new extensions aggregating to Rs. 1,07,695 so as to provide for the acquisition of lands extending over 30 acres, their lay out and improvement of the existing water source to cope with the increased demand.

5. This office letter No. L. 5277/M1. 10-24-19, dated the 23rd January 1925, to the Deputy Commissioner, Shimoga District, suggesting with a view to make the scheme self supporting the desirability of the -- Council taking ~~from~~ the amount from the Government as ~~loan~~ loan to be recouped by the sale of sites. A

6 Letter No D O. 3/24-25, dated the 3rd February 1925, from the Deputy Commissioner, Shimoga District, forwarding copy of the -- resolution of the Shimoga Municipal Council, requesting for a loan of one lakh of rupees for the purpose and expressing their willingness to abide by the conditions to be imposed by the Government. P & D III

7. Correspondence ending with letter No. D O. 3/24-25, dated the 18th March 1925, from the Deputy Commissioner, Shimoga District, furnishing information regarding repayment of the loan by the sale of sites.

Order No. L 7047-51 / a L [illegible]

The following representations were ~~made~~ made to the Dewan during his tour in Shimoga

on the 19th March 1925 by the Municipal Councillors and local citizens

1. that the banks of the river should be revetted to prevent the erosion of the river towards the town or a dam or screen wall constructed to divert the flow of water from its present position,
2. that extensions should be formed at once and people in the danger zone allowed to build their houses before the next monsoon sets in,
3. that without a proper water supply the extensions will not become popular and that it is impossible for the Municipality in its present financial condition to bear the extra expenditure,
4. that the town of Shimoga is next in importance to Bangalore and Mysore and that as the Government are making grants to those Cities they should make a special grant to this town also, more especially as it has suffered severely from flood havoc,
5. that the Government should bear the whole cost of rehabilitating the people who have lost their houses.

2) Having regard to all the circumstances and the poor financial condition of the Municipality ~~and the decisions arrived at the interview~~, Government are pleased to sanction a ~~loan~~ grant of Rs. 25,000 towards the scheme for the formation of new extensions in Shimoga They are further pleased to sanction a loan of Rs. 25,000 to the Municipal Council repayable ~~in~~ ten annual instalements with 5 per cent interest~~s~~.

3) The Deputy Commissioner, Shimoga is directed to request the Municipal Council to show the ways and means for repayment of the loan.

4) Orders regarding the acquisition of a portion of the lands required have already been issued. ~~The lands required should be acquired from Municipal funds~~ to which will be credited the proceeds from the sale of sites.

5) As regards the protection of the town from erosion of the river, the Chief Engineer will investigate the matter at an early date and submit a scheme to Government.

No. 2073

Office of the Deputy Commissioner,
Shimoga District,
Dated the 18th June 1925.

From

K. Syed Taj Pooran, Esquire., B.A.,
Deputy Commissioner,
Shimoga District.

To

B. Nagappa, Esquire., Bar-at-law.,
Secretary to the Government of His Highness
the Maharaja of Mysore, Local and
Legislative Departments, Bangalore.

Sir,

With reference to Government Order No. L. 7047-51 Ml. 10-24-27 dated 4th April 1925 sanctioning a grant of Rs 25,000/- for the formation of new extensions in Shimoga, I have the honor to state that a sum of Rs 3,730/- has been spent till now out of Municipal funds for payment of the cost of acquiring certain lands. The Comptroller has been requested to transfer this amount to the Municipal Funds out of the grant of Rs 25,000/- referred to above.

2. The Comptroller when requested to place the sanctioned grant of Rs 25,000/- at the credit of Municipality for being operated upon, intimates that according to his circular No. 37 W.A.D. Mis. dated 21st July 1923 the expenditure should be incurred in the first instance out of the Municipal Funds and that the transfer would be effected only to that extent. He states further that if the grant sanctioned is not drawn by the end of this month wholly or partly it will lapse. A copy of his letter No. 1865 W.A.D. Mis. dated 16th June 1925 referred to above is enclosed herewith.

3. Under the above circumstances I request that the Comptroller may kindly be requested to transfer the full amount to the Municipal Funds by the end of this month as this grant given to the

111

Municipality is under special consideration, or if this is not possible, necessary provision may be made for this amount being adjusted during the next year.

4. The Municipal Council have resolved to spend the full amount of Government Grant and the loan towards the improvement to Water Supply Scheme. Tenders are being received for the installation of an Engine and a pump etc ,. The amount will have to be paid in a lump-sum when bills are received. The loan amount will have to be drawn soon after your reply is received to my letter No. D.O. S/ 24-25 dated 17th May 1925 on the subject

I have the honor to be,

Sir,

Your most obedient servant,

Deputy Commissioner,

Shimoga District.

Letter No. 1865 WAD. Mis. dated 16th June 1925 from the Comptroller in Mysore, Bangalore to the President, Shimoga Town Municipal Council.

With reference to your letter No. 2051 dated 6th June 25 requesting payment of R$ 25000/- sanctioned by Government as a grant-in-aid, I have the honor to state that the Municipal Council may incur expenditure in the first instance and intimation of payments made sent to this office monthly as soon as possible for issuing instructions to the Treasury for their adjustment.

2. This Office circular No 37 WAD. Mis. dated 21st July 1923 is applicable in all cases in which Government sanction a Grant-in-aid for local Bodies for Public Works. The object with which this circular was issued is clear from para 1 of the circular The bill claiming the amount is herewith returned.

3. If the grant sanctioned this year is not drawn by end of this month, wholly or partly, it will lapse and you will have to obtain Government sanction for paving it from the next year's grant

No D O 3/24-25

Sir,

With reference to your letter No L 6915 dated the 28th instant asking for declaration statements for the acquisition of the Military parade ground with proposals for making other lands available to the military for their parade Ground, I have the honour to invite reference to the marginally noted correspondence in the matter. The acquisition of the lands which are alleged to be the Military Parade Ground was already once sanctioned in the marginally noted Government order. These lands comprise survey numbers 43, 44, 95 and 91/1 and 91/2 of Illamantra village.

My D O letter No 3/24-25 dated 26th August 1924

-- do- dated 1-9-24 addressed to the Revenue Secretary

Letter No 2547 dated 20th September 1924 addressed to you by the Chief Commandant and forwarded to me with your No L 2709 dated 25th September 1924

Para 8 of the proceedings of the Special Committee sent with my letter No D O No 3 dated 31st October 1924

-- do - dated 6th March 1925

Govt No La6644/LL 1024-25 dated 1st March 1925

I

I have the honour to be,

S i r,
